

Request for Information ("RFI") for GARVEE Short-Term Funding Products

Beginning on May 12, 2017, the Treasurer of State's Office ("TOS") is requesting short-term funding product recommendations for the Major New State Infrastructure (GARVEE) Program of the Ohio Department of Transportation.

The RFI will be available by direct request from firms qualified by TOS to provide underwriting and remarketing services for the GARVEE program. Respondents interested in receiving the RFI may request a copy via email to DebtManagement@tos.ohio.gov.

This notice is meant for publication purposes only. Any interested respondent must comply with all submission requirements as detailed in the RFI.
