

**Ohio Treasurer of State  
STABLE Account Plan  
Request for Proposals for  
Audit Services**

**I. Introduction**

The Ohio Treasurer's office is soliciting proposals from qualified firms wishing to provide audit services for the STABLE Account Plan (STABLE) in connection with STABLE Accounts administered by the Treasurer's office. Pursuant to the Reporting section of the STABLE Plan Disclosure Statement and Participation Agreement, STABLE will prepare audited financial statements. The selected firm will be responsible for providing audit services for STABLE on a fiscal year basis (July 1 – June 30), beginning with the fiscal year ending June 30, 2017. The term of the agreement associated with this RFP will consist of State fiscal years 2017 through 2019 with the option, at the discretion of the Treasurer's office and subject to a waiver from the Auditor of State, to continue the engagement for a two-year period for fiscal years 2020 through 2021. Each fiscal year, the audit is to be completed within 90 days after the close of the applicable fiscal year. A draft of the audit is to be completed within 75 days after the close of the applicable fiscal year. All audit services must be conducted in accordance with the American Institute of Certified Public Accountants (AICPA) auditing standards generally accepted in the US and the most recent applicable US Government Accountability Office's Government Auditing Standards.

STABLE was made possible by the Achieving a Better Life Experience Act (or ABLE Act), which passed in 2014. The ABLE Act, housed under Section 529A of the Tax Code, permits states to set up investment accounts for individuals with disabilities. These Accounts, called "STABLE Accounts," are modeled after 529 College Savings Accounts. STABLE Accounts allow individuals with disabilities to save and invest up to \$14,000 per year without losing government benefits such as Medicaid or SSI.

STABLE offers participants five investment options to choose from: four mutual-fund based options and one FDIC-insured option. STABLE also has several service providers for the plan. Intuition ABLE Solutions, LLC serves as the Program Manager and provides program management, administrative, and record keeping services. STABLE's Investment Advisor is Marquette Associates. The Vanguard Group, Inc. serves as the Investment Manager for the Mutual Funds which serve as underlying investments in four of STABLE's investment options. The Treasurer's office has contracted with Fifth Third Bank to use Fifth Third's BankSafe Product as the underlying investment account for STABLE's fifth investment option, the FDIC-insured BankSafe Option. Fifth Third also provides custodial services and fund accounting for the plan.

STABLE began in late fiscal year 2016 and fiscal year 2017 will be the first year of financial statements. STABLE will not prepare financial statements for fiscal year 2016. STABLE projects total assets under management between \$9 million to \$11 million, and total accounts between 2500 to 2800 as of June 30, 2017.

For more information on STABLE, Firms should review the STABLE website available at <http://www.stableaccount.com/> and read the STABLE Account Plan Disclosure Statement and Participation Agreement available at <http://www.stableaccount.com/disclosure-form/>.

STABLE is presented as a private purpose trust fund within the State's Comprehensive Annual Financial Report (CAFR). The Treasurer's office anticipates that this will be presented as a single fiduciary fund. In subsequent years, STABLE may also need to report an administrative cost fund. STABLE's financial statements will be prepared within 60 days after the close of the applicable fiscal year.

Interested firms must respond to this RFP in all respects. The selected firm will be responsible for timely notifying STABLE of material changes in ownership, organization, personnel, litigation or conflicts, regulatory investigations or enforcement actions, and any other material changes or developments (i.e., within 30 days of their occurrence).
