Partial redemptions can be entered in share or dollar amounts. If the cost basis method established on your account is Specific Share Identification – Manual Selection and you would like to select individual lots for liquidation, your order needs to be entered in shares.

For all retirement account redemptions, the transaction will be coded as a Normal Distribution if you are over the age of 59.5 or an Early Distribution if you are under the age of 59.5. To perform any other type of retirement account redemption, please contact Shareholder Services.
