

Bank Deposit Program For Public Funds Managers

FDIC Insurance Weekly Liquidity Competitive Yield Community Banks

State Treasurer's Office Endorsed

State Treasurer of Ohio Josh Mandel has endorsed the STAR Plus program for local public funds managers participating in STAR Ohio. This innovative program leverages the safety of Federal Deposit Insurance Corporation (FDIC) insurance with the convenience of a single account, while offering competitive yields. The new STAR Plus program was designed in partnership with the State Treasurer's office and was modeled after established private-sector banking and financial practices.

STAR Plus Program

STAR Plus enables Ohio's political subdivisions to generate a competitive yield on cash deposits in a network of carefully-selected FDIC-insured banks via a single, convenient account. STAR Plus offers attractive yields with no market or credit risk, weekly liquidity with penalty free withdrawals, and seamless integration with an existing STAR Ohio account. STAR Plus will also help keep taxpayer dollars in community banks and fuel local economies, as the program seeks to deposit funds in participating Ohio banks.

Innovative Process

STAR Plus is powered by the Federally Insured Cash AccountSM (FICA[®]) program. FICA[®] is an innovative, patent-pending process that ensures cash deposits have full FDIC insurance from an extensive proprietary network of carefully-screened, participating banks. On a daily basis, each participant can view their deposits by bank.
